Because real estate is more than buying and selling homes

Become a part of the rapidly growing green real estate market today by earning your EcoBroker®/Ecosociate™ designation. Learn about current green market topics and issues and gain access to listings, marketing tools, and a community of real estate professionals concerned with home health, comfort, affordability, and the environment.

Take advantage of this limited time member discount. Enroll today for only \$330!

“

These courses have exposed me to a great wealth of information and guidance to success and I look forward to putting it into practice. Now I want to let everyone know that I am a Certified EcoBroker®!”

**Wendy Whitty, Certified EcoBroker®
Easton, Massachusetts**

“

EcoBroker has been an absolute win-win for me from the very start. Now, via the EcoBroker website, I am able to reach my target group, showcase my green inventory, and have access to great marketing tools. Thank you EcoBroker!”

**Larry Barnes, Certified EcoBroker®
Damariscotta, Maine**
