

# Zap Listings

---

Southwest Riverside County Association of REALTORS®  
Southwest Riverside County Multiple Listing Service

Adopted: May 7, 2007  
Effective Date: May 7, 2007  
Amended: August 6, 2007

The Board of Directors of the Southwest Riverside County Multiple Listing Service no longer authorizes the Association/MLS Staff to ZAP a listing unless it is a duplicate listing (that has been added in error).

When zapping the duplicate listing, the Association/MLS Staff will only zap the listings with the highest number (leaving the original). The Association/MLS staff will not zap properties from the MLS to make it appear that they were never on the MLS. There will always be an original.
